

N.B.: The 2013 homepage text was moved [here](#) (to the 2013 Photos Archive page).

Our apologies for messing up some of the day-date info on our previous schedule card. A fan graciously pointed out that "we're only human." Again, our apologies for any inconvenience that caused.

Our next public appearance is at [Barnaby's of Ridley Park](#) on Friday, January 16th (previously scheduled for Saturday, January 17th). Barnaby's is a great place to dine and party, so come on out! It also doesn't hurt that the owner is a great guy who loves his customers, staff and entertainment. He also makes outstanding flatbread pizza.

Thanks to all who came out to see us at the [Riddle Ale House](#) on Friday (12-19)---a great place to dine, party and dance. **You got to see Larry before he got drafted to work in Santa's Workshop!**

Thanks to everyone who stopped out at the [Hideaway](#) on Saturday, 12-13-14 (you won't see another sequential date like that for over 88 years)! A great place to get a really good burger and fries (Shelly). We'll be back there in February.

A BIG SHOUT-OUT to all of our loyal friends, family and fans who came out to see us on a dark and stormy night at the [Reef](#) on Saturday (12-6). We can't thank you enough for the continued friendship and support that you show for us. We are truly blessed to be able to play for each and every one of you! And--- lets not forget Charlie and the staff at the Reef. If you have never been to the [Reef](#), you'll be sure to enjoy yourself there. Great food, wonderful staff, good people, good entertainment, convenient parking, and Keno and Sports Betting.

Thanks to everyone who braves a cold and rainy night to join us at [The Tap Room](#) on Wednesday (11-26--- Thanksgiving Eve). A great place to party. How do they get those hot dogs to taste so good? We'll be returning to the Tap Room on March 7th and May 2nd.

Thanks to everyone who came out to see us at our debut at the [Hideaway](#) (Saturday, 11-22). We had a lot of fun and met a lot of new people. We're coming back to the Hideaway on Saturday, December 13th. If we don't see you before then, see you there.

We welcome back our drummer, [Stevie](#), from his trip to California (had to pick up Jeff Spicolli and then jet over to London and jam with the Stones). Don't call him the "boy-a from LaHoya."

Last weekend we had a private birthday party at the [Oaks Ballroom](#). The people at the Oaks always make us feel at home and the food is fantastic. We had a great time and met a lot of nice people.

Thanks to everyone who came out to see us at the Ridley Park Fall Festival on Sunday, 10-12 (and a special shout-out to Mike Dano and Creative Entertainment for, among other things, staging and sound). We apologize for the short set. We were hoping that we could go overtime and give you a full set but the 6:00pm cut-off for the festival was written in stone. We

could have bumped an earlier act but that just didn't seem fair to any of the other performers who also worked hard to see that everybody had a good time. So, if you feel cheated, if you didn't get enough 4-Play, please check out our schedule---we have upcoming dates at the St. James [Bulldog Bash Monster Mash](#), the [Reef](#), the [Riddle Ale House](#), the [Hideaway](#), and the [Tap Room](#). You know we're always glad to see you!

Maximillian's had a farewell party on Saturday (10-11) but they are still open. It was packed and it was great to run into friends. The Jammers did a great job of keeping everybody dancing.

Thanks to all who came out and supported us, and a special shout-out to the management and staff who made us feel so welcome and made the night a party!

This booking was originally held by Full Throttle, who needed to switch the date so that their original-material project, Hammer Down, could hold their CD Release Party at the World Cafe in Philly. Best wishes and prayers to Chico and Heather, bandmates, and all involved, so that ALL goes well. Rock It!

Special shouts-out to all of our loyal fans and supporters who spent time with us at the [Reef](#) on 9-19 and on 8-29. Thanks for dancing, partying, and joining the band on stage. We love you!
