Bill Davis  
4-Play Band

Dear Mr. Davis,

On behalf of the Board of Directors of Susan G. Komen Philadelphia, we wish to thank you and 4-Play Band for taking a step in helping to ensure more victories over breast cancer. We are in receipt of your January 2, 2014 contribution of \$500.00, in which no goods or services were exchanged. Your investment in this community *truly* makes an impact.

Your contribution supports our mission to save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures. With your support, Komen Philadelphia has invested more than \$51 million through local grants to local nonprofits throughout our 15-county service area providing breast cancer screening, free mammograms, treatment and educational resources for the medically underserved. Seventy-five percent of the money raised here, stays here for our community programs. The remaining twenty-five percent (\$21 million to date) supports the Susan G. Komen Grant Program to help fund groundbreaking breast cancer research.

Breast cancer knows no boundaries be it age, gender, socio-economic status or geographic location. **Be Aware. Take Action.**

Sincerely yours,

Elaine I. Grobman  
Chief Executive Officer
